ACCURATE SERVICE

ABSOLUTE SAFETY

The average speculator upon pursuing the low Jones report, coupled with the continued successful attack upon the Dardanelles by the allies, could draw upon his imagination and see the smoke of war accending. Not only were longs heavy self-ers of wheat, but there were short lines thrown on the market, and the depression was quite pronounced during the last hour of the day, with the exception of possibly shorts to cover.

The cash wheat market was strong and coal-carrying road as have

were 85,300 bushels, of which 800,00 hushels, were to exporters. Cash corn sales, 15,50 oushels, with 100,500 bushels for export. Stocks of corn in all positions are large, and the cash demand small. There was less demand here to-day for cash outs on export account than in some days.

There was a ragged closing in the provision market, after a rather strong situation during most of the session on liberal buying by commission houses with stocklyard clients. Part of the demand was doubtiess for shorts. This market weakened with grain.
